

BCCC Annual General Meeting

Thursday
June 21st, 2018

BCCC Mission & Goals

OUR MISSION

“to strengthen and grow the link between Brazil & Canada”

OUR GOAL

“to become the trusted voice, primary point of contact and preferred networking forum for senior executives doing business between Brazil & Canada”

BCCC Value Proposition

ADVOCACY & GOVERNMENT ACCESS

- Access to Brazilian/Canadian dignitaries and trade-missions organized by public (e.g., Ministries) and private (e.g., Industry groups) stakeholders
- Strong and reputable channel to help shape government views of specific sectors to further objectives of the business community (e.g., through policy design)

QUALIFIED INFORMATION AND INSIGHT

- Exclusive sectoral events and reports focused on the identification and promotion of investment opportunities between Brazil and Canada (e.g., government priorities/projects, funding programs)
- Insight into key trade barriers and how to facilitate business connections between Brazil and Canada

CONNECTIVITY

- Access to an unrivalled network of institutions (e.g., universities, not-for-profits), executives/entrepreneurs conducting business between Brazil/Canada
- Support for targeted promotion of members and their activities across the BCCC network of contacts (e.g., targeted introductions, sponsorship opportunities in BCCC events, brand visibility)

BCCC Value Proposition delivered in 2017/2018

ADVOCACY & GOVERNMENT ACCESS

- Met with government officials throughout the year to discuss relevant topics and provided members with access to these stakeholders ;
- Joined the free trade agreement talks between Canada and Mercosul. The BCCC participated in two roundtable discussions with Minister Champagne, Minister of International Trade of Canada regarding the free trade agreement talks between Canada and Mercosul, and was invited to appear before the House of Commons' Standing Committee on International Trade as a witness to discuss the benefits and challenges of the free trade agreement.
- Participated in a stakeholder engagement session on Canada's future Development Finance Institution (DFI);
- Participated in the 4th Brazil-Canada Joint Committee on Innovation, Science, and Technology (IST) meeting in Brasilia, in June 2018;
- Continued to work closely with our government to provide institutional support (e.g. promoted the Brazil Investment Forum 2018; facilitated a meeting between the Consulate General of Brazil and the Ontario Ministry of Research, Science, and Innovation).

BCCC Value Proposition

QUALIFIED INFORMATION AND INSIGHT

- Organized a total of 15 events throughout the year, including 5 pillar events, 3 breakfast events and 4 social networking events, among others.
 - Invited high-level speakers to participate in all events;
 - Promoted B2B and networking opportunities at all events;
- Hosted incoming Brazilian delegations in (e.g. fintech trade mission during IST Forum 2017; hosted 7 Brazilian start-ups doing “Doing Business in Canada for Start-ups” event; etc).
- Launched a Breakfast Series for members and partners: small and focused event on specific topics of interest (e.g. taxation and regulation, investments in real estate, etc).
- Established partnerships with events in Toronto with a Latin America/Brazil focus (e.g. Latam Startups Conference, Canada Latin America Real Estate Meeting, etc.)
- Engaged in active communication and social media strategy to disseminate Chamber activities, relevant event and opportunities in trade and investment between Brazil and Canada, as well as promoted members’ and partners’ activities.
- Provided insights on key barriers and opportunities on relevant sectors.

BCCC Value Proposition

CONNECTIVITY

- Organized 4 networking events throughout the year and several targeted B2B opportunities that have led to both upcoming and concrete partnerships;
- Facilitated an MOU between a Canadian and a Brazilian incubator, respectively the Greater Peterborough Innovation Cluster and Feevale Techpark;
- Increased online engagement and visibility for members (engagement increased 10X on Twitter; 50+ new followers in 2018);
- Supported events that promote the Brazilian business community in Canada;
- Revamped the BCCC website to provide a more user-friendly interface and include more relevant information for our members.

BCCC Operational Committees

Thursday
June 21st, 2018

BCCC Operational Committees

WHY DO THEY EXIST?

“to advise the Board on all matters related to a specific sector, including cooperation agreements, institutional relationships, and regulation changes in both Brazil and Canada”

“to facilitate information sharing among BCCC members related to advances in the sector including, but not limited to, research, investment and business opportunities between Canada and Brazil”

“to be the BCCC’s eyes and ears in different sectors and, through its activities, they are meant to establish the BCCC as a leading advocate in each sector”

BCCC Operational Committees

WHAT SHOULD THEY DELIVER?

- Develop strategies and coordinate events with the purpose of promoting the BCCC and harnessing partnerships and business opportunities between Brazil & Canada
- Establish databases, sectoral reports, content through webinars, seminars and workshops to facilitate matchmaking opportunities for BCCC Members
- Facilitate networking with private sector and government officials and introduce new members to join the BCCC
- Work with the BCCC Management to outline key barriers and opportunities to trade in each specific sector, and what governments in both countries should do to address them
